

COVID-19 VIRTUAL SUPPORT SERVICES

Supporting your organization and employees during the COVID-19 pandemic is of the utmost importance to BHS.

In response to the growing fears of the COVID-19 outbreak, your employees may be experiencing stress and anxiety as their lives continue to be disrupted by the spread of the virus. Our dedicated team is here to support your organization and your employees virtually through this difficult time.

VIRTUAL COUNSELING SESSIONS

BHS is available to provide virtual access to counseling services for individuals who are experiencing the emotional impact of the COVID-19 crisis.

VIRTUAL CRITICAL INCIDENT AND DISRUPTIVE EVENT SUPPORT

BHS crisis counselors offer virtual support for leaders, supervisors or employees who are experiencing grief or trauma from a critical incident or disruptive event in the workplace.

OUTREACH AND SUPPORT SERVICES FOR INDIVIDUALS

BHS clinical team members are available to reach out to VIPs, front-line employees/ caregivers, and individuals impacted by reductions in force, furloughs, salary reductions or any individual whose well-being is of concern. Our counselors offer services and ongoing support to address stress, anxiety and fears related to this crisis.

VIRTUAL MENTAL HEALTH CHECK-INS

Regularly scheduled mental health check-ins for your teams led by a master's level clinician. Check-ins can be offered 1-2 times per week for 4, 6 or 8 weeks. Each check-in would have a theme for participants to discuss to help them cope with daily stressors.

COVID-19 CHATS FOR LEADERS AND EMPLOYEES

A BHS master's level clinician or coach provides a brief presentation and then facilitates a virtual group discussion for up to 15 participants. These discussions are designed to support your organization and its employees during the COVID-19 crisis.
